Good news from the Board of OIS!

For the third year running, OIS' school fees will remain stable, i.e. no increase of tuition fees will happen for the academic year 2011/12. At the same time, the payment structure will remain the same as well. It goes without say that we will endeavor to improve our offers at OIS even more to ensure sustained and continued customer satisfaction, and, of course, to continue working for our first and foremost goal which is to make sure that our students are getting the best possible education!

No internal CCAs this Wednesday, October 27th, 2010

As is customary for the last day of school before the break, there will be no internal CCAs tomorrow, Wednesday, October 27th, 2010. There will, however, be a showcase Cricket match between students and staff which will take place on our Cricket pitch from 3.00 to 4.20 pm. All are welcome to watch!

Enrolment for the next PTM on November 10th, 2010

As usual, the enrolment will happen via ECampus. The module will be open for registration from Friday, November 5th to Monday, November 8th. Telephonic registrations can be made on Tuesday, November 9th, 3.00 pm sharp. Please understand that after this time no registrations can be made any more as we need to finalize the time-tables for the teachers.

Festive Clothes for tomorrow's Diwali festival

As we are celebrating Diwali with our students tomorrow, please let them come to school in festive clothes, preferably in a festive Indian outfit tomorrow.

Upcoming dates:

- Wednesday, October 27th, 2010: last day of school before the Diwali break
- Monday, November 8th, 2010: first day of school after the Diwali break
- Wednesday, November 10th, 2010, 1.00 to 7.00 pm: second PTM with reports
- **Friday, November 12th, 2010: the sleepover scheduled for this day has been postponed to December 3rd, 2010. The reason is that some of our Homeroom teachers are out of station on professional development. Please take note**
